- 2. First Minister's Questions:** Questions were answered by the First Minister (Nicola Sturgeon).
- 3. NHS Staff Recruitment and Retention:** The Parliament debated S6M-04464 in the name of Rhoda Grant— That the Parliament notes the reported ongoing issues with staff recruitment in NHS Highland, while it attempts to expand its services by providing a National Treatment Centre in Inverness and to support NHS Grampian by providing obstetric services for Moray; considers that the Highlands and Islands has a world-class university in the University of the Highlands and Islands (UHI); understands that UHI previously carried out successful training of midwifery staff for the Highlands and Islands region to meet staffing demand as part of a two-year pilot in response to a specific workforce need; further understands that funding for this programme has now been moved to Edinburgh Napier University to cover the whole of Scotland; notes the view that NHS staff should be trained close to home in order to enhance recruitment and retention of staff, and further notes the call, therefore, for the Scottish Government to develop training for NHS staff at the University of the Highlands and Islands.
- 4. Committee Meeting Times:** The Minister for Parliamentary Business (George Adam), on behalf of the Parliamentary Bureau, moved S6M-04895—That the Parliament agrees that, under Rule 12.3.3B of Standing Orders, the COVID-19

Recovery Committee, can meet, if necessary, at the same time as a meeting of the Parliament between 5.00 pm and 6.00 pm on Thursday 9 June 2022.

The motion was agreed to.

**5. Portfolio Questions:** Questions on Rural Affairs and Islands were answered by a Cabinet Secretary and a Minister.

**6. Ministerial Statement:** The Cabinet Secretary for the Constitution, External Affairs and Culture (Angus Robertson) made a statement and answered questions on Scotland's Census 2022.

**7. Ministerial Statement:** The Deputy First Minister and Cabinet Secretary for Covid Recovery (John Swinney) made a statement and answered questions on Scottish COVID-19 Inquiry.

**8. Scottish Local Government Elections (Candidacy Rights of Foreign Nationals) Bill - Stage 3:** The Presiding Officer determined, under Rule 9.8.5BA, that, in her view, no provision of the Scottish Local Government Elections (Candidacy Rights of Foreign Nationals) Bill related to a protected subject-matter.

**10. Decision Time:** The Parliament took decisions on item 9 as noted above.

**11. Making Scotland Hostile to Trafficking and a Safe Place for Ukrainian Refugees:** The Parliament debated S6M-04703 in the name of Bill Kidd— That the Parliament welcomes the launch of the Hope for Justice and anti-trafficking partners' website, Ukrainians Welcome, which is aimed at protecting refugees in the UK against modern slavery, and the Organization for Security and Co-operation in Europe's (OSCE) new recommendations on mitigating the risks of trafficking, following the crisis in Ukraine, as it considers refugees are particularly vulnerable to trafficking for sexual exploitation and other forms of modern slavery; understands that the Scottish Government has committed to criminalising sex buyers, addressing the reported impunity of sex buyers in exploiting vulnerable women and children, and, through criminalisation, making Scotland hostile to human traffickers; considers that Baroness Helena Kennedy QC's report on Misogyny and Criminal Justice in Scotland affirms the understanding of commercial sexual exploitation, including pornography, prostitution and trafficking, as "violence against women and girls"; recognises the OSCE's reported findings that internet searches for Ukrainian women for sale for sexual exploitation has increased by between 200% to 600% across multiple countries in Europe since the Ukrainian refugee crisis started, and that, in the UK, internet searches for Ukrainian women has increased by 669%, compared with March 2021; considers that the criminalisation of sex buyers in Scotland would

tackle the demand that fosters trafficking and respond to Palermo protocol commitments; commends the efforts of anti-trafficking organisations, such as International Justice Mission, which presented information to the Cross-Party Group on Human Trafficking on the work that it has been doing to prevent human trafficking occurring at the Romanian-Ukrainian border since the war in Ukraine started, and A21, which it understands is safely housing Ukrainian survivors of sex trafficking and runs trafficking awareness campaigns across Europe; considers that such examples show the success that is possible when authorities and charities work collaboratively to warn refugees of the signs of human traffickers and provide practical assistance to avoid refugees taking up unsafe offers of accommodation or transport; believes that vulnerability to trafficking increases when refugees are in transit or when financial resources reduce over time, and recognises what it sees as the invaluable work of individual sponsors, community groups and local organisations in welcoming refugees to Glasgow and the rest of Scotland, and ensuring that they are provided with the practical and emotional support needed to begin to find refuge and safety as they rebuild their lives.

The meeting closed at 5.54 pm.
