Dear Convener

Consumer Scotland Work Programme 2024-2025

Consumer Scotland has now published our [Work Programme for 2024-2025](#) setting out our priorities for the coming year to improve outcomes for consumers in Scotland.

The document has now been laid before the Scottish Parliament under the terms of our founding legislation, the Consumer Scotland Act 2020.

The final Work Programme reflects the feedback both from the committee and from our public consultation. We have also published a [Summary of responses](#) to our consultation on the draft work programme 2024-2025 on our website.

Consumer Scotland is grateful to the committee for its feedback and for its continued interest in our work as we grow into our broad statutory role.

We look forward to continuing to work with you to advance the interests of consumers in the forthcoming year.

Best wishes

Sam Ghibaldan
