(2) The Scottish Ministers are to make regulations prescribing—

(a) the eligibility rules that are to be applied to determine whether an individual is entitled to housing assistance, and

(b) what housing assistance an individual who is entitled to it is to be given.

(3) Schedule (Housing assistance regulations) makes provision about the exercise of the power conferred by subsection (2).

**Jeane Freeman**

(introduced by section (Housing assistance))

Housing assistance regulations

**PART 1**

ELIGIBILITY

**CHAPTER 1**

Eligibility is to depend on being treated in certain ways under the Welfare Reform Act 2012 or otherwise needing assistance with housing costs

1 (1) The regulations must be framed so that (subject to any provision of the kind described in paragraph 2) an individual’s eligibility in respect of a given period depends on meeting the conditions described in either—

(a) sub-paragraph (2), or

(b) sub-paragraph (3).

(2) The conditions referred to in sub-paragraph (1)(a) are—

(a) the individual is entitled to an award of universal credit in respect of the period in question,
(b) an amount under section 11 of the Welfare Reform Act 2012 (housing costs) is to be included in the calculation of that award,

(c) the amount relates to the individual’s liability to make payments in respect of accommodation in the social rented sector other than temporary accommodation,

(d) were it not for regulations made by the Scottish Ministers by virtue of section 29(2) of the Scotland Act 2016, the amount would be lower on account of its being reduced due to the number of bedrooms in the property that the individual lives in,

(e) as a result of being entitled to more than would otherwise be the case because of the regulations referred to in paragraph (d), the value of the assistance to which the individual is entitled under an enactment is reduced in accordance with regulations under section 96 of the Welfare Reform Act 2012 (benefit cap).

(3) The conditions referred to in sub-paragraph (1)(b) are—

(a) the individual is entitled to an award of universal credit in respect of the period in question,

(b) during that period, the individual is—

(i) 18 years of age or over, but

(ii) not more than 21 years of age,

(c) no amount under section 11 of the Welfare Reform Act 2012 is to be included in the calculation of the award, and

(d) an amount under that section would fall to be included in the calculation if the individual were older.

(4) The regulations are to define “accommodation in the social rented sector” and “temporary accommodation” for the purpose of determining entitlement to housing assistance under provision made in accordance with paragraph 1(2).

2 (1) The regulations may be framed so that, despite the conditions described in paragraph 1 not being met in relation to a given period, an individual may nevertheless be eligible in respect of that period.

(2) Where the regulations allow an individual to be eligible in respect of a period in relation to which the conditions described in paragraph 1 are not met, they must be framed so that the individual’s eligibility depends on the individual needing assistance to meet housing costs in a connection with a property that is not owned (wholly or partly) by the individual.

(3) For the purpose of sub-paragraph (2), an individual is not an owner of property if, in relation to the property, the individual is party to a shared ownership agreement within the meaning of section 83(3) of the Housing (Scotland) Act 2001.

(4) If provision of the kind described in this paragraph is made, the regulations are to set out, for the purpose of determining entitlement to housing assistance—

(a) a definition of “housing costs”,

(b) the circumstances in which an individual is to be regarded as needing assistance to meet housing costs.
CHAPTER 2
FURTHER CRITERIA

Participation in education
3 The regulations may make an individual’s eligibility depend on—
   (a) whether or not the individual, or anyone who lives with the individual, is in
       education, and
   (b) the length of time the individual, or someone who lives with the individual,
       spends over a given period in education.

Residence and presence
4 The regulations may make an individual’s eligibility depend on the individual being
   resident and present in a particular place.

Age
5 The regulations may make an individual’s eligibility depend on the age of either or
   both—
   (a) the individual, and
   (b) anyone who lives with the individual.

Financial circumstances
6 The regulations may make an individual’s eligibility depend on the financial
   circumstances of either or both—
   (a) the individual, and
   (b) anyone who lives with the individual.

Receipt of, or eligibility for, other types of State assistance
7 The regulations may make an individual’s eligibility depend on either or both the
   individual and anyone who lives with the individual—
   (a) being, or not being, in receipt of another type of assistance (whether under this
       Act or another enactment),
   (b) being, or not being, eligible or entitled to receive such assistance.

Application within specified period
8 The regulations may provide that an individual ceases to be eligible in respect of a given
   period unless, by a deadline specified in the regulations—
   (a) the individual has applied for housing assistance in respect of the period, or
   (b) the Scottish Ministers have become required to make a determination of the
       individual’s entitlement to housing assistance in respect of the period by
       regulations under section 35.

PART 2
ASSISTANCE TO BE GIVEN

CHAPTER 1
VALUE

Cases where paragraph 1(2) conditions met
9 (1) The regulations must provide for the value of housing assistance to be given in a case to which this paragraph applies to be the amount described in sub-paragraph (3).

(2) This paragraph applies to a case in which an individual is entitled to housing assistance in respect of a given period by virtue of meeting the conditions described in paragraph 1(2).

(3) The amount referred to in sub-paragraph (1) is the lower of—
   (a) the difference between—
      (i) the amount under section 11 of the Welfare Reform Act 2012 included in the calculation of the individual’s universal credit award for the period in question, and
      (ii) the amount that would have been included under that section in the calculation were it not for the regulations referred to in paragraph 1(2)(c), or
   (b) the amount by which the value of the assistance to which the individual is entitled from the Secretary of State in respect of the period in question is reduced in accordance with regulations under section 96 of the Welfare Reform Act 2012.

Cases where paragraph 1(2) conditions not met

10 In a case to which paragraph 9 does not apply, the regulations may make the value of housing assistance that is to be given to an individual depend on—
   (a) the age of either or both—
      (i) the individual, and
      (ii) anyone who lives with the individual,
   (b) the financial circumstances of either or both—
      (i) the individual, and
      (ii) anyone who lives with the individual.

CHAPTER 2

FORM

Meeting liabilities

11 The regulations may provide for housing assistance that is to be given to an individual to be given (in whole or in part) by way of—
   (a) payment to another person in order to meet, or contribute towards meeting, any liability the individual has to that person,
   (b) deduction from any liability the individual has to the Scottish Ministers under section 36.

Restriction on giving assistance in a form other than money

12 (1) The regulations may allow housing assistance to be given to an individual in a form other than money only if the individual (or a person acting on the individual’s behalf) has agreed to the assistance being given in that form.

(2) If the regulations include provision of the kind mentioned in sub-paragraph (1), they must allow an individual (or a person acting on the individual’s behalf) to withdraw agreement to being given housing assistance in a form other than money at any time.
(3) Despite sub-paragraph (1), the regulations may provide for housing assistance to be given (in whole or in part) by way of deduction, at a reasonable level, from any liability the individual has to the Scottish Ministers under section 36 if the individual has unreasonably refused to agree to the assistance being given in that form.

(4) For the purpose of sub-paragraph (3), “reasonable level” means a level that is reasonable having regard to the financial circumstances of the individual.

**PART 3**

**FINAL PROVISIONS**

*Generality of enabling power unaffected*

13 Nothing in this schedule, apart from the following provisions, is to be taken to limit what may be prescribed in the regulations—

(a) Chapter 1 of Part 1,

(b) in Part 2, paragraphs 9 and 12.

14 In this schedule (unless stated otherwise)—

“eligibility” means eligibility for housing assistance and “eligible” means eligible for housing assistance,

“the regulations” means regulations under section (*Housing assistance*)(2).

**Jeane Freeman**

161 After section 48, insert—

<Agency arrangements for housing assistance>

(1) The Scottish Ministers may by regulations provide for the functions conferred on them by virtue of Part 2 to be exercised on their behalf by local authorities, but only in relation to housing assistance.

(2) Regulations under this section may in particular—

(b) make provision identifying the persons in relation to whom a local authority is to exercise those functions, and

(c) provide for any enactment (including this Act) to apply subject to such modifications as the Ministers consider appropriate in consequence of functions falling to be exercised by a local authority on the Ministers’ behalf.

Entitlement to other assistance being reviewed

1 (1) The regulations must be framed so that an individual is eligible for short-term assistance if—

(a) the individual is, or was, entitled to a particular type of assistance (other than short-term assistance) under a determination made on the basis that the individual has ongoing entitlement,

(b) that determination has been superseded by a determination under section 19 with the result that the individual—

(i) is no longer entitled to the type of assistance in question, or

(ii) is entitled to less assistance of the type in question,

(c) the individual’s entitlement to the type of assistance in question is under review, and

(d) any further eligibility rules prescribed in the regulations are satisfied in the individual’s case.

(2) An individual’s entitlement to a particular type of assistance is under review within the meaning of sub-paragraph (1)(c) if—

(a) the individual has, under section 23, requested a re-determination of the individual’s entitlement to the type of assistance in question and—

(i) the Scottish Ministers have yet to make a determination of the individual’s entitlement under section 24, and
(ii) the individual has not, since requesting the re-determination, made an appeal to the First-tier Tribunal against a determination of the individual’s entitlement, or

(b) the individual has, under section 27, appealed to the First-tier Tribunal against a determination of the individual’s entitlement to the type of assistance in question and the First-tier Tribunal has yet to make a decision under section 29, or

(c) the First-tier Tribunal is considering, under section 28(1)(b), whether to give permission for the individual to bring an appeal against a determination of the individual’s entitlement to the type of assistance in question.

**PART 2**

**ASSISTANCE TO BE GIVEN**

*Value and form of assistance where entitlement to other assistance under review*

2 (1) This paragraph applies to any case in which an individual is eligible for short-term assistance by virtue of provision made in accordance with paragraph 1(1).

(2) In this paragraph, “the superseded determination” means the determination that has been superseded with one of the results mentioned in paragraph 1(1)(b), as a consequence of which the individual in question is eligible for short-term assistance.

(3) In relation to a case to which this paragraph applies, the regulations must provide for the value of the short-term assistance given to an individual in respect of any period to be equal to—

\[ V_1 - V_2 \]

where—

- \( V_1 \) is the value of the assistance that the individual would have been given in respect of the period under the superseded determination had it not been superseded, and
- \( V_2 \) is the value of the assistance that the individual is to be given in respect of the period under what is, at the time the individual becomes eligible for short-term assistance in respect of the period, the most recent determination of the individual’s entitlement to the type of assistance to which the superseded determination relates.

(4) In relation to a case to which this paragraph applies, the regulations must provide for the rules regarding the form in which short-term assistance is given to an individual to be the same as the rules governing the form in which the type of assistance to which the superseded determination relates may be given.
