

PARLIAMENTARY BUREAU: APPROVAL OF SCOTTISH STATUTORY INSTRUMENT

AFFIRMATIVE INSTRUMENT

[Transport \(Scotland\) Act 2019 Amendment Regulations 2023 \(SSI 2023/Draft\)](#)

1. Under Rule 10.6.5, the Bureau is required to lodge the following motion—

George Adam on behalf of the Parliamentary Bureau: That the Parliament agrees that the Transport (Scotland) Act 2019 Amendment Regulations 2023 (SSI 2023/Draft) be approved.

Purpose

2. To fix missed and incorrect cross-references in the Transport (Scotland) Act 2019, which came about because of stage 2 and stage 3 amendments made when the Bill was passing through Parliament. These corrections are needed so all provisions of the Act which refer to other provisions do this properly so the Act can be given full effect.

Consideration by committee

3. At its meeting on 3 October 2023 the Net Zero, Energy and Transport Committee agreed to recommend that the regulations be approved. The Committee report was published on 23 October 2023.

Decision

4. **Business Managers are invited note that the above motion will be lodged.**

5. **Business Managers should reserve their position if their party intends to speak against or oppose the motion.**
