MINUTES OF PROCEEDINGS

Parliamentary Year 1, No. 102, Session 6

Meeting of the Parliament

Thursday 21 April 2022

Note: (DT) signifies a decision taken at Decision Time.

The meeting opened at 11.40 am.

- 1. General Questions:** Questions were answered by Cabinet Secretaries and Ministers.
- 2. First Minister's Questions:** Questions were answered by the First Minister (Nicola Sturgeon).
- 3. Keeping CalMac Public and Publicly-owned Ferry Services:** The Parliament debated S6M-02902 in the name of Katy Clark—That the Parliament notes the view that lifeline ferry services should be in the public sector; is alarmed by the Scottish Government's reported contract with Ernst & Young to review governance of Scotland's public ferry contracts, including Clyde and Hebrides Ferry Services (CHFS); understands that the current operator, CalMac Ferries, the entire fleet and the majority of harbours on the CHFS network are publicly owned, employing 1,600 people; considers that unbundling of CHFS routes would mean privatisation; is concerned at reports that the Scottish Government has reneged on the commitment it gave the RMT in 2017 to build the case for permanent in-house operation of the CHFS contract; agrees with the reported view of the RMT that the CHFS network lacks resilience and capacity due to vessel procurement failures and not due to the public ownership model; understands that the contract with the public sector operator, CalMac Ferries, ends in October 2024; further understands that CalMac staff have helped carry over 47 million passengers and 12 million cars in the last decade and that the Road Equivalent Tariff fares subsidy drove a 20% increase in passengers, pre-COVID-19 pandemic, and notes the calls on the Scottish Government to categorically rule out extending private ferry operations or privatisation of any routes in the CHFS

contract and to commit to keeping CalMac Ferries public and expanding ferry capacity and resilience in the public sector.

4. Motion without Notice: Katy Clark moved without notice that, under Rule 8.14.3, the debate be extended by up to 30 minutes.

The motion was agreed to.

5. Portfolio Questions: Questions on Education and Skills were answered by a Cabinet Secretary and a Minister.

6. Ministerial Statement: The Minister for Environment and Land Reform (Mairi McAllan) made a statement and answered questions on Progressing Scotland's Leadership on Blue Carbon.

7. The Scottish Approach to Managing the Global Risk of Antimicrobial Resistance: The Cabinet Secretary for Health and Social Care (Humza Yousaf) moved S6M-04070—That the Parliament recognises the extraordinary positive impact of antibiotics and other antimicrobial drugs in the health and social care system; recognises the terrible costs, in terms of morbidity and mortality and wider societal and economic impact, of antimicrobial resistance (AMR), and notes the ongoing risk posed to Scotland and the world if AMR continues unchecked; acknowledges the effective One Health approach to tackling AMR taken by Scotland; welcomes the ongoing commitment of the Scottish Government to contain and control AMR, including through participation in the UK's 20-year vision for antimicrobial resistance and five-year National Action Plan; recognises the hard work and commitment of those working to contain and control AMR within the NHS and across all One Health sectors in Scotland, and acknowledges that everyone in Scotland has a role to play in antimicrobial stewardship, preserving the effectiveness of antimicrobial drugs in the years to come.

Jackie Baillie moved amendment S6M-04070.1—

As an amendment to motion S6M-04070 in the name of Humza Yousaf (The Scottish Approach to Managing the Global Risk of Antimicrobial Resistance), insert at end “, and believes that the Scottish Funding Council should be tasked with a review of domestic and global funding streams available to Scottish universities and research groups to contribute to the global research efforts in AMR and avenues to UK and international research partnerships.”

After debate, the amendment was agreed to (DT).
